

Food at The Mill

We use the best of British ingredients to create our deliciously fresh dishes. Our chefs use seasonal produce to tantalize your taste buds. We also have lots of traditional classics for you to choose. Sunday lunch at The Mill is a must.. but we get very busy so please book. We will also be launching a new outside menu for the days when the sun shines!

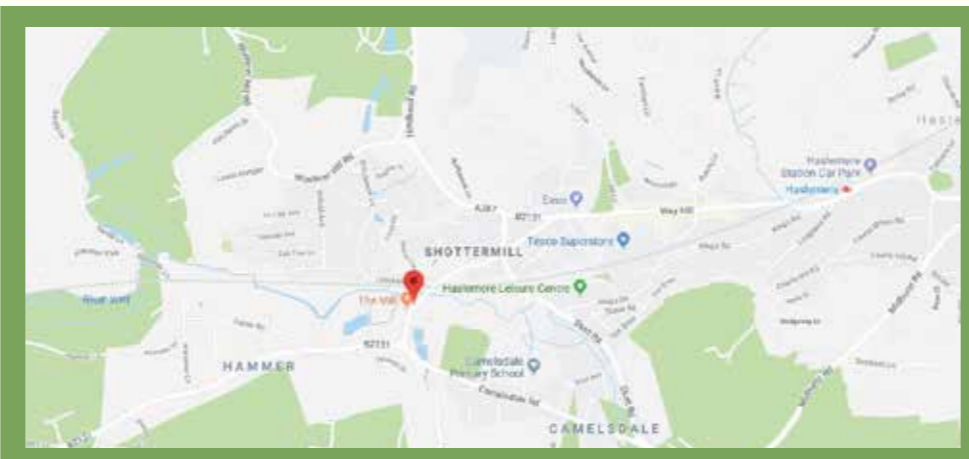

Looking to host an event?

We have two private rooms and an outdoor kitchen that can cater for small groups or larger functions – whatever the weather we have great options. We tailor make the menu to suit the occasion.
